 2010 Performance
 "Cirque de Y"

Champion Video Services will professionally capture on DVD the Saturday performances of our annual dance revue. **We are offering a discounted rate on the two afternoon shows so make sure that you circle the correct price below which will depend on which show you are ordering. The evening show will be the same price as it has been in the previous years.** Champion Video specializes in filming dance performances and has handled many area productions for several years. There is no better way to relive the sights, sounds and feelings of the event than with your own memory on DVD. Champion Video has the equipment and professional staff to properly film our performance.

WHY SHOULD I ORDER A DVD?

A professionally filmed DVD provides a quality picture with vibrant colors, detail, wide angle and close up shots. In comparison, home videos of a stage performance can be washed out by the stage lighting. Your Champion DVD will have "scenes" that you can easily move around from dance to dance within the performance. Order your DVD on or before the Recital to get the best price. Price goes up \$10 after the Date of the Recital. Your DVD will be shipped approximately 4-6 weeks after the performance. Remember, so everyone can enjoy the show, photography and videotaping is not allowed during any performance.

HOW TO ORDER

Orders will be accepted by mail using the following for OR ONLINE at www.championsma.com.. Remember to have your order postmarked no later than Recital night to get the best price!
