Dance Revue Hair and Make-up Requirements

Our Dance Staff has carefully selected costumes that will look great on your children. In order to pull the entire group together for performance time, please review your teacher's hair, make-up, and shoe requirements in the attached pages. Also, it is important to note that these costuming requirements will also be expected on picture day. Thanks for your help!

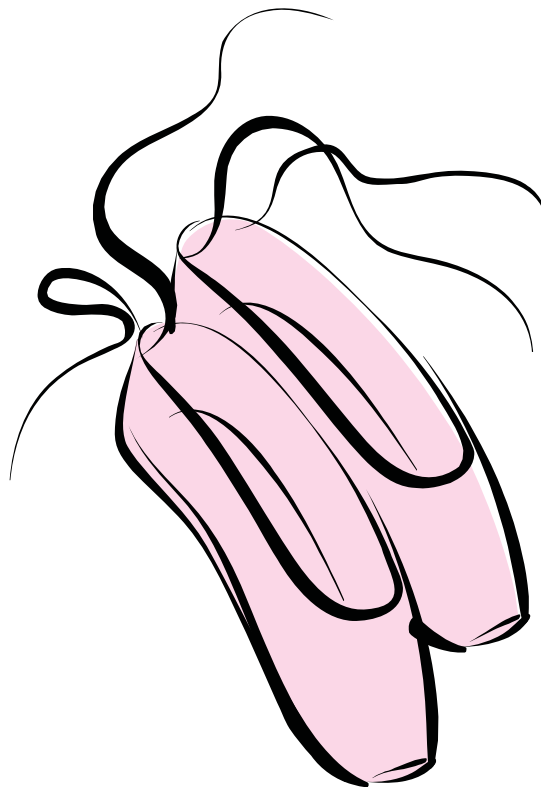

Student Evaluations

Towards the end of April, your child's dance teacher will be distributing year-end evaluations on your child's progress throughout the 2009-2010 school year. Within the evaluation form, your teacher will make suggestions as to the different dance classes that would be a good fit for your child during the 2010-2011 school year. If your child wishes to try a different medium next year, or you need help with suggestions at a different location, please talk to your dance teacher, and they will assist you with navigating the program book.

FCDA Performs in Appleton

The Fox Valley Dance Academy competition students will be performing at a local competition in April!

During the weekend of April 16 - 18 in Appleton, our team students will compete at the "International Dance Challenge" at the Fox Cities Performing Arts Center in Appleton, WI. Competition schedules vary, and students from all across the Midwest will be competing. Feel free to come explore a real dance competition and cheer us on!
