

Our Dance Revue is Near

On May 21 and May 22 we will be holding our Dance Revue for all Dance Factory and Fox Cities Dance Academy students at Fox Valley Lutheran High School. Please arrive 30 minutes prior to the show. Also, please remember we have strict backstage rules for the security and safety of your children: There will be no males allowed backstage. Please have one female drop off your child by checking-in with security staff and receiving a number ticket for your child. Once you have checked your child in, you may bring them to their designated room backstage. This is where they will wait for their performance. No child will be allowed to leave the room after the show. After the shows, please again send only one female to retrieve your child so we don't create a traffic jam in the backstage area. If you are looking for your instructor, please wait in the commons area after the show, and the instructors will come and visit. You will then have time for photos and good-byes. For the order of all the performances at each of the shows, please see the last pages of the newsletter.

Dress Rehearsal

Dress Rehearsal will be held at Fox Valley Lutheran High School during the following dates:
May 12, May 13, May 19, May 20

PLEASE LOOK CLOSELY AT THE ATTACHED DRESS REHEARSAL SCHEDULE AT THE BACK OF THIS NEWSLETTER! Some of your dances may be on separate nights due to scheduling availability at Fox Valley Lutheran High School. During your week of dress rehearsal, regular classes will not be held. Please note - FOX WEST AND APPLE CREEK WILL HOLD CLASSES THE WEEK OF THE RECITAL. Please review the specific dress rehearsal schedule towards the back of the newsletter. Please arrive in your full costume for your first rehearsed dance. If you have a costume change, you may use the backstage area or the rest rooms in the commons area. FCDA students do not need to wear their costumes for Dress Rehearsal, but your ballet classes will require a full dress rehearsal.

Pictures and Videos

Heart of the Valley, FCDA, and Fox West pictures will be available for pick-up at dress rehearsal. We will have an area for you to pick up all your photos inside the auditorium. *Once again, your shows will be video taped by Champion Video. Order forms are available at the back of this newsletter. No video or photography will be allowed during performances.*

Fox Cities Dance Academy

Mini camps will begin the week of May 24 and run 4 weeks. During these classes, we will be teaching and reviewing for team auditions. Workshops begin June 21 and end with Auditions June 23 and June 24. Please pick-up a preliminary packet for more information at the front tables during Dress Rehearsals.

Parent Volunteers

We are in need of volunteers for back stage. Only female volunteers are allowed backstage. You will need to arrive 45 minutes before the start of the show to check-in dancers and stay backstage during the show. Most classes (especially younger classes) will need two adults per class to stay with them and assist in costume changes and bathroom breaks. Please talk with your instructor on the specific needs of your class and if you want to volunteer.

We would like to have some Dads available for security as well. Parent volunteers will NOT need a ticket to the show, so please keep this in mind when ordering your tickets. To volunteer as a parent volunteer, please notify your instructor that you will be your class "parent."

Registering for 2010 Dance Factory Classes

On Tuesday, May 18, all YMCA members will be able to register for Dance Factory classes for the 2010-2011 season. On Friday, May 21 registration will open to the general public. You may register by completing Dance Factory paperwork at the front desk of the YMCA location you prefer your child to take classes.  Apple Creek, Fox West and
 Heart of the Valley YMCA's
 2010 Performance
 "Cirque de Y"

Champion Video Services will professionally capture on DVD the Saturday performances of our annual dance revue. **We are offering a discounted rate on the two afternoon shows so make sure that you circle the correct price below which will depend on which show you are ordering. The evening show will be the same price as it has been in the previous years.** Champion Video specializes in filming dance performances and has handled many area productions for several years. There is no better way to relive the sights, sounds and feelings of the event than with your own memory on DVD. Champion Video has the equipment and professional staff to properly film our performance.

WHY SHOULD I ORDER A DVD?

A professionally filmed DVD provides a quality picture with vibrant colors, detail, wide angle and close up shots. In comparison, home videos of a stage performance can be washed out by the stage lighting. Your Champion DVD will have "scenes" that you can easily move around from dance to dance within the performance. Order your DVD on or before the Recital to get the best price. Price goes up \$10 after the Date of the Recital. Your DVD will be shipped approximately 4-6 weeks after the performance.

Remember, so everyone can enjoy the show, photography and videotaping is not allowed during any performance.

HOW TO ORDER

Orders will be accepted by mail using the following for OR ONLINE at www.championsma.com.. Remember to have your order postmarked no later than Recital night to get the best price!
